Paul Collier

Heath, OH

Paul was a track competitor for eight years in high school and college. He became the track and cross country coach at Maple Heights HS in 1963 and during his ten years there his teams won four league championships and several athletes made the state meet. After giving up coaching he has officiated track and cross country for 39 years, officiating college, high school, and numerous district, regional, and state meets in both track and cross country. Paul held the office of president for the Licking County Track Officials Association two different terms. He was the secretary for the LCRTA for the past 28 years and has served on the district official committee all those years. He has organized many Licking County meets and served as meet manager/referee for the Heath Invitational for the past 36 years.
